Hi Tony,

I am the new ATSDR Regional Director. I am visiting with our partners at Oregon Health Authority and Oregon Poison Center over the next three days and wanted to reach out to you as well.

I have been working with Paul, Richard, and Judy regarding the Hayden Island/Jantzen Beach air issues. So I will be working with these folks to visit the area. I was also hoping to do a 'walk through' and meet some folks in your office. I see you are out until Wednesday so maybe I can work with Melody to find a quick time to chat.

Thanks,
Rhonda
